Dear Principal,

I hope you have had a wonderful start of this school year.

It is my absolute pleasure to welcome you and your students to our annual Info Day to be held tentatively on 12 December 2021. Tsung Tsin Christian Academy (TTCA) boasts a vibrant learning community, passionate educators, a rich tradition of excellence and dedication to providing an outstanding education for its students and parents in Hong Kong. I would like to meet your students and / or parents to keep them abreast of the latest secondary school trends and TTCA's challenging and comprehensive academic programs that foster independent and global citizens. Amid COVID-19, an online live streaming Principal's Talk will be hosted in replacement of the scheduled Info Day if necessary due to the most up-to-date announcements by the EDB about mass gatherings.

On top of that, in recent years, I have also reached out to different primary schools to offer seminars introducing the unique features of my school. It would be my pleasure to address the parents at your school as well. It can be done in person at your school in the form of a seminar or as a webinar, given either by myself or by our Head of the Academic Committee or the Head of the Student Development Committee.

If your students would like to have a glimpse of TTCA, they can find our brochure at:

Once again, I appreciate all of your time in reviewing this information and I look forward to hearing from you and working with you in the near future.

With Warmest Regards,

Cheung Man Wai  
Principal
